# OUR SERVICES

## Program Management Experts

- Our customized **program management software** houses project details and provides real-time visibility on all your projects, nationwide.
- We have a dedicated **in-house service team** who becomes experts in your project installation needs.
- We are a partner who truly understands your needs. We can manage your projects from start to finish to ensure they are **on-time and on-budget**.

## Scalable & Consistent Installation

- Inside Edge is everywhere you need us to be. We **simultaneously perform** an average of 100 jobs weekly in multiple locations across the country.
- We create customized **Uniform Labor Practices** to meet your project expectations and deliver consistent results.
- Our experienced installers **handle all your flooring needs**; from remodels to new construction to refreshes or repairs.

## Nationwide Solutions Partner

- Our **experienced crews** understand everything required for a proper floor installation.
- Our unbiased third-party inspector network provides **testing and site assessments data**.
- **Material management** from A to Z. We leverage our extensive vendor network and buying power to provide you with the best value.

## WHO IS INSIDE EDGE?

Inside Edge is a national project management and flooring installation company that is 100% employee-owned, so our people care about our business and those we work for. We provide nationwide flooring services with a solutions-driven approach and deliver consistency, with best-in-class quality and communication, at a competitive price.
