WHO IS INSIDE EDGE SAFETY SURFACES?

Inside Edge is a North American Project Management and Flooring Installation Company built on a reputation of ensuring a great Customer experience. We are 100% employee owned and committed to our Customers' and our Employees' success. We work diligently to protect our partner's brands, consistently meet project expectations, and we always stand behind our work and make it right.

IE + LIFE FLOOR PARTNERSHIP

Life Floor and Inside Edge have partnered to build out a full breadth of installation capabilities to support North American Customers with enhanced pre-project through post-installation services. This partnership is intended to elevate the Customer's project experience and overall satisfaction.

Inside Edge's Safety Surfaces division is the **Preferred Installation Partner** for Life Floor in North American and delivers industry leading warranty coverage for both product and installation.

SAFETY SURFACES IS THE PREFERRED INSTALLATION PARTNER OF LIFE FLOOR
